

Radha's personal and professional journeys are intertwined by the key relationships she has fostered from living in The Bahamas, the US and Dubai. Her diverse cultural experiences have taught her to embrace the challenges of new beginnings in her own life and seek pragmatic, peaceable solutions that benefit everyone involved. As an established fundraiser in the MENA region - with 22 years of experience working at Top Tier Investment Managers based in New York and Dubai - Radha has advised Startups and VC firms on business and marketing strategy.
